Subject: Lab safety training Fall 2011
Attachments: - Fall 2011(5).doc

Dear Coordinators,

Hope your Summer had been fun and somewhat restful. Enclosed is our new lab and fire safety training schedule for the first part of Fall semester. This schedule is also posted on EHS website.

<http://www.ehs.umass.edu/train.html?UserType=Student&Server=owl-ehs>

Please send it on to all newcomers to the labs including: undergrads, grads, postdocs and visiting scientists (even for one day) and have them call EHS at 545-2682 to register. If the schedule does not fit with class or lab schedules, have them call our office 545-2682 with a block of 2 hours free and we can run a few special sessions.

Notice: Department 's training sessions are usually very full. Please call EHS to inquire about available spaces.
Sept 9 and 16 classes are full.

Again, thank you so much for all your help. Have a great new semester.
